SENIOR
BREAKFAST

There are those
Who are beings complete unto
themselves
Whole, undaunted,—a source
As leaves of grass, as stars,
As mountains, alike, alike, alike,
Yet unlike
Each is complete and contained.

Johnny Cash

to be nobody-but-yourself in a world
which is doing its best, night and day,
to make you everybody else—means to
fight the hardest battle which any
human being can fight, and never stop
fighting.

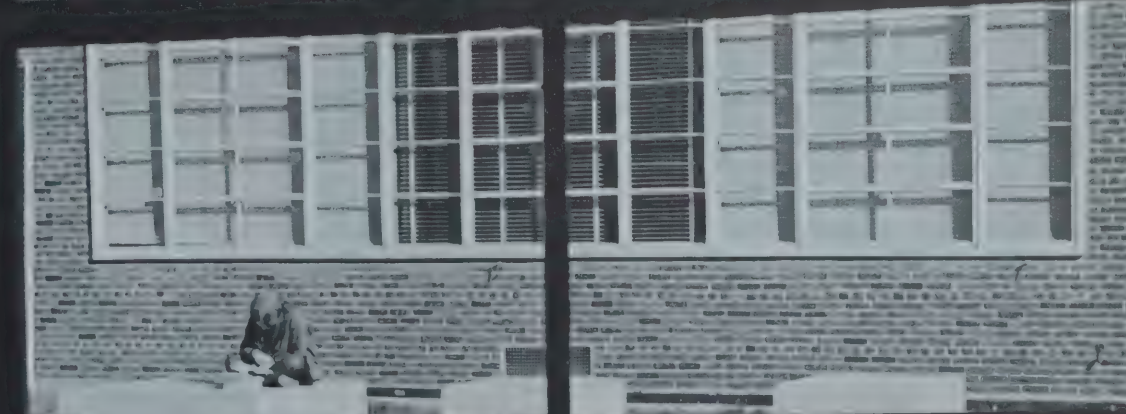

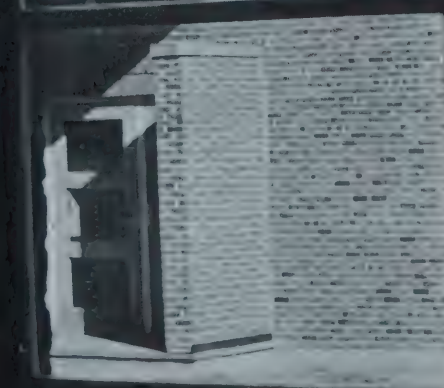

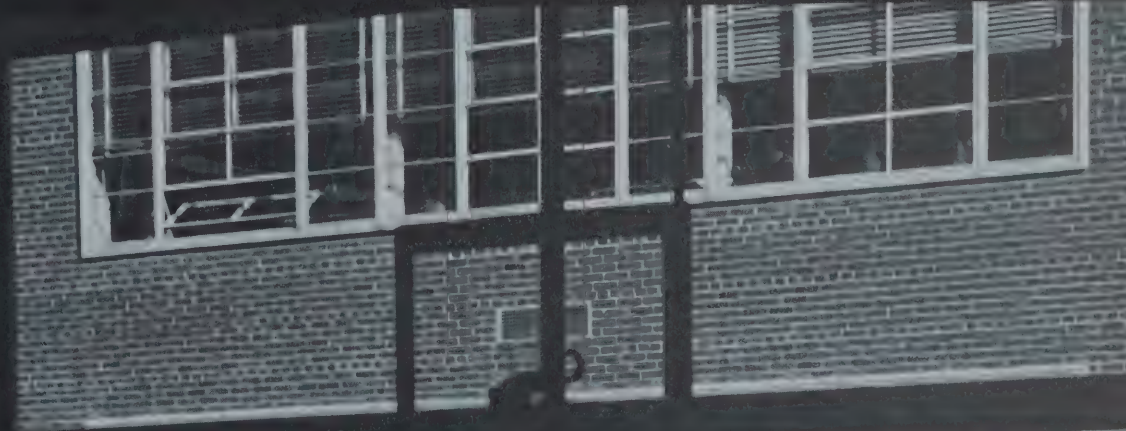

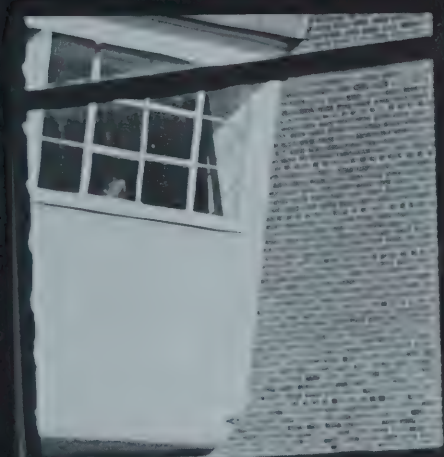

e.e. cummings

I exist as I am—that is enough.

Walt Whitman

I don't know who I am
But life is for learning.

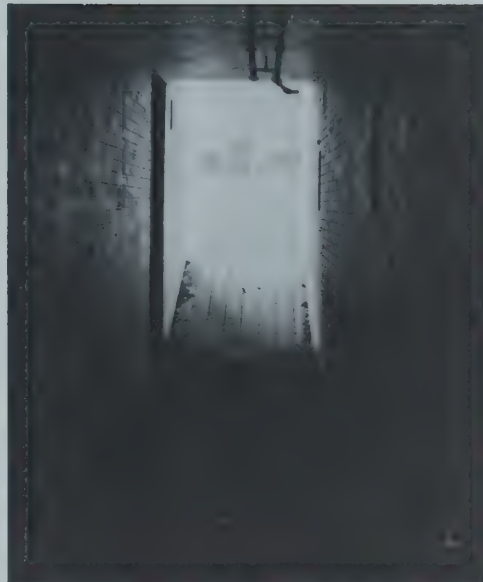

Joni Mitchell

Every now and then the things I lean on lose their meaning
And I find myself careening
Into places where I shouldn't let me go.

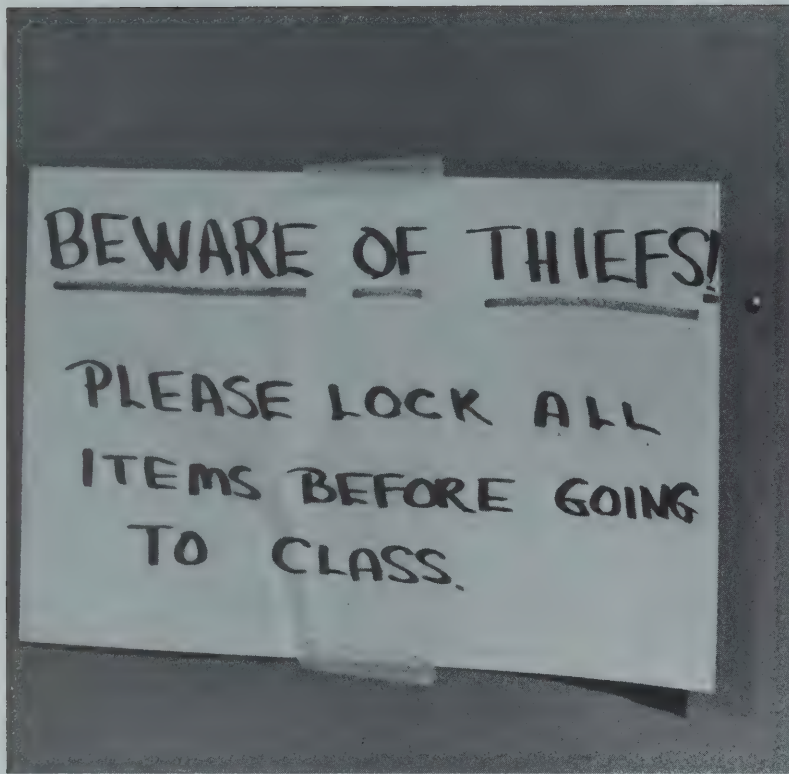

James Taylor

... I've come to doubt
All that I once held
as true;
I stand alone without
beliefs.

Simon and Garfunkel

a label:
a robot?
mechanical thoughts!

Stephen

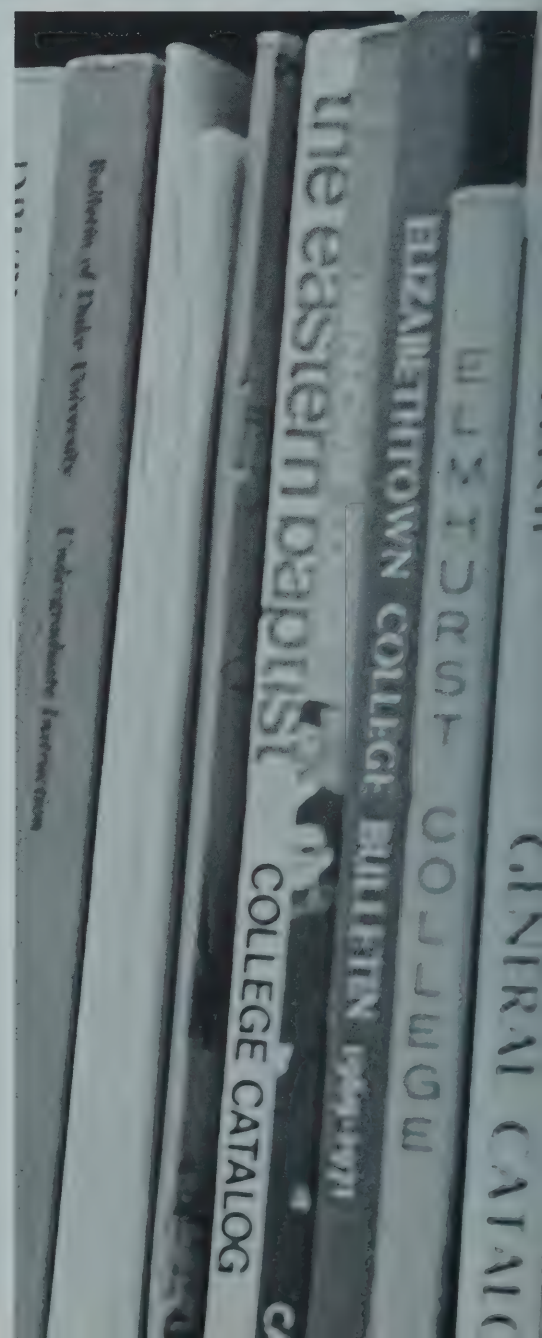

Speak out,
you got to speak out
against the madness,
you got to speak your
mind, if you dare.

David Crosby

Well, teachers are my lessons done
I cannot do another one
They laughed and laughed and said
Well, child are your lessons done.
Are your lessons done.
Are your lessons done.

Leonard Cohen

younger . . .
knowing it all—
older . . .
knowing a little
more
and telling
those now younger
just what
you do
know
but . . .
they are
younger . . .
knowing
it
all.

Stephen

to understand
is to stand under
which is to look up to
which is to understand

Coritta Kent

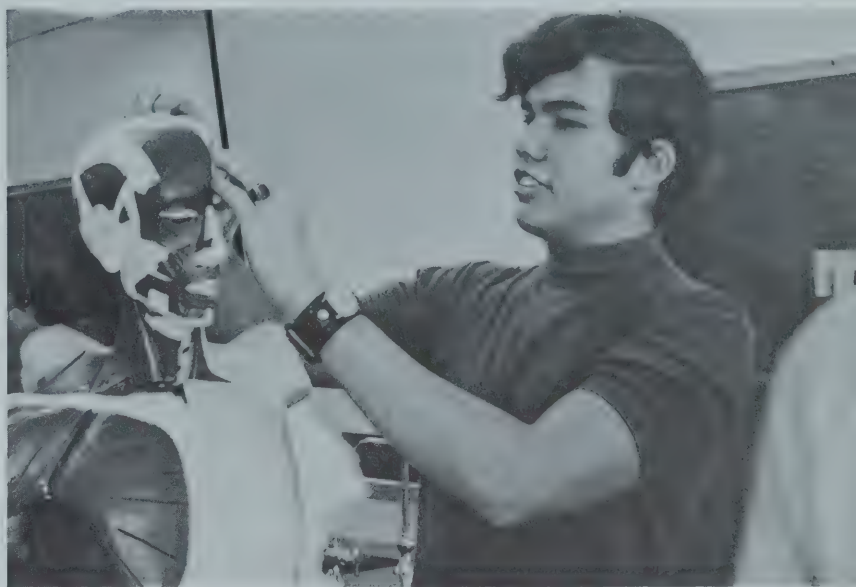

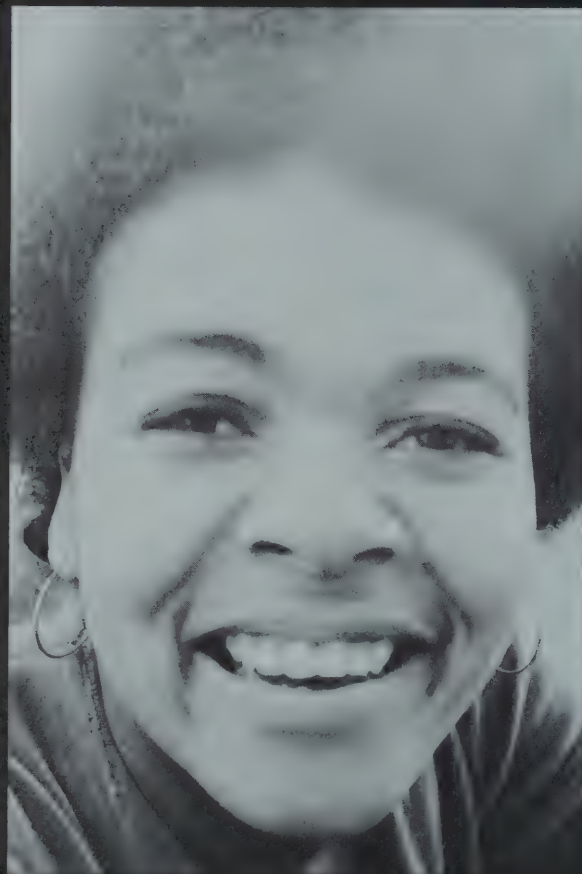

Knowledge is a light, enriching the warmth of life,
And all may partake who seek it out.

Kahlil Gibran

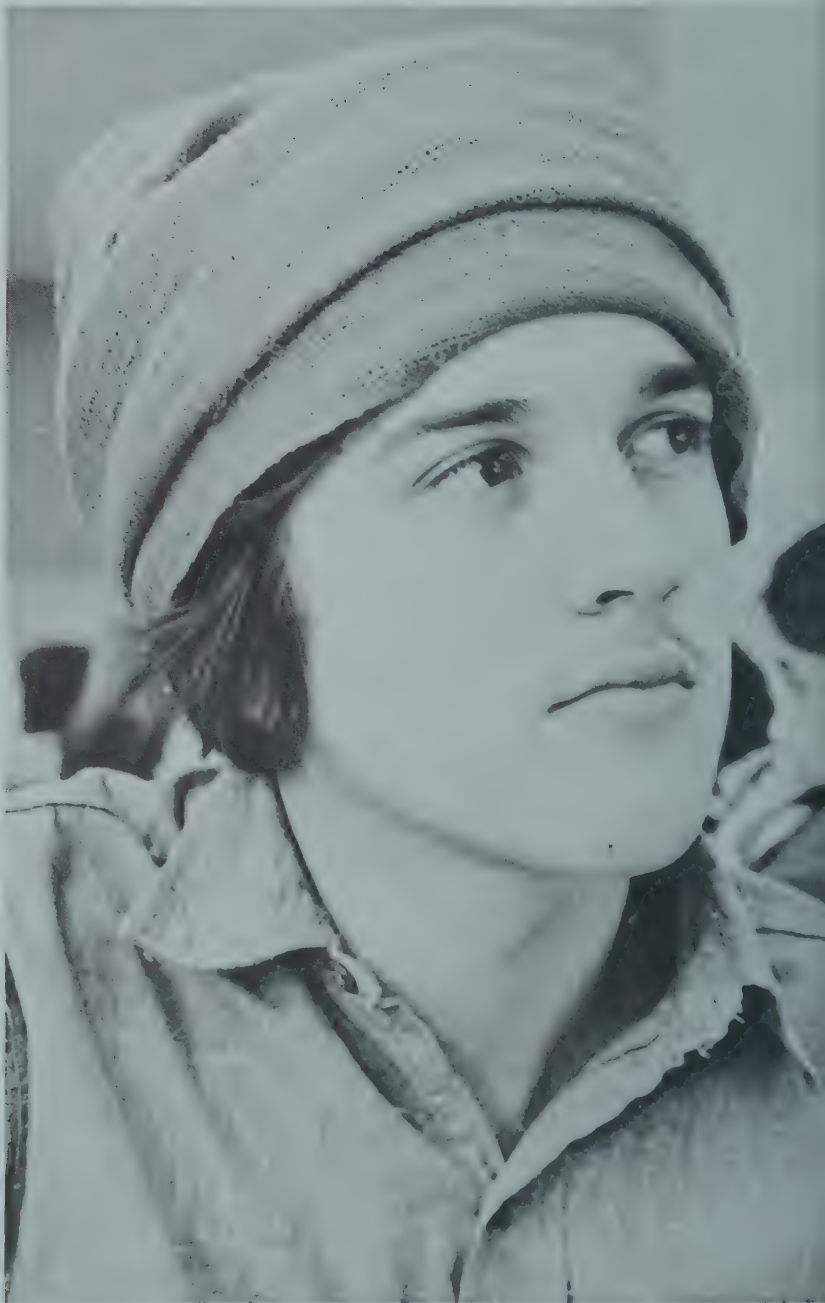

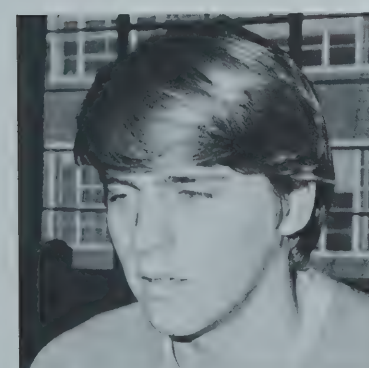

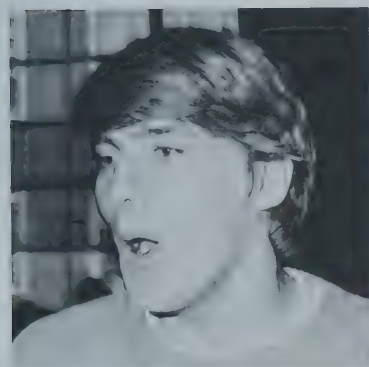

If you smile at me I will understand,
'cause that is something everyone
does in the same language.

David Crosby and Stephen Stills

Brotherhood is
acceptance. Acceptance
of the beauty in each
person's personality.

Advocate: '69

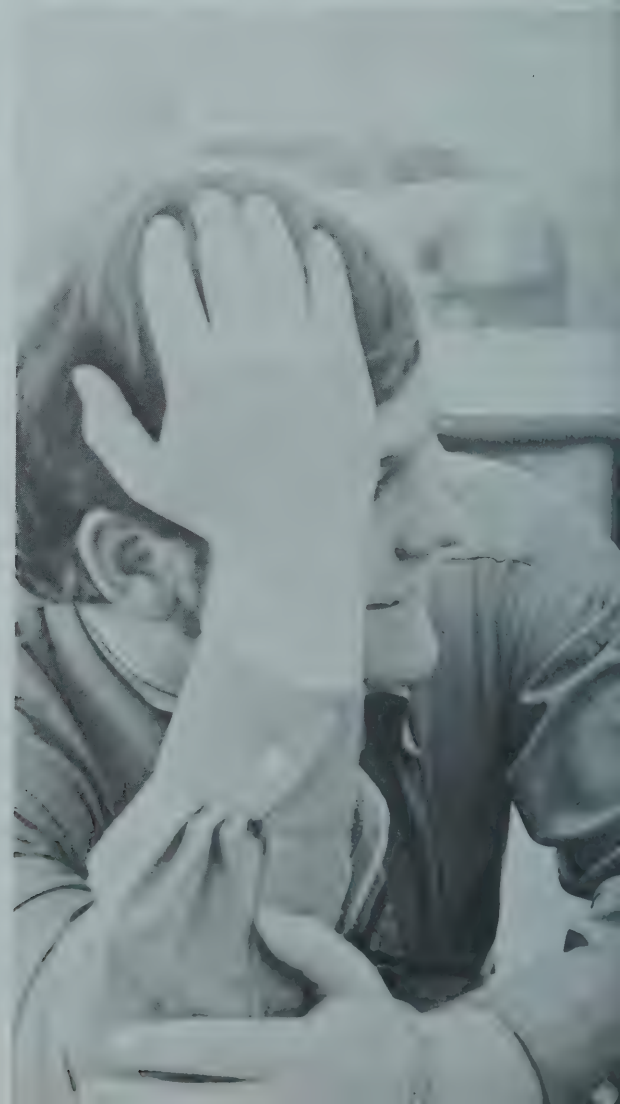

... in the sweetness
of friendship
let there be laughter,
and
sharing of pleasures.

Kahlil Gibran

When you part from your friend you grieve not;
For that which you love most in him may be clearer in his absense,
as the mountain to the climber is clearer from the plain.

Kahlil Gibran

We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round
In the circle game . . .

Joni Mitchell

People live from day to day
But they do not count the time
They don't see their days slipping by
And neither do I.

James Taylor

And though
we shared
a common
space I
know we'll
never meet
again.

Joni Mitchell

graduation present.

When the ceremonies are done at Needham High . . . when the promises are made to keep in touch with classmates . . . when the handshakes, the proud hugs, the smiling tears and congratulations are said and done, look seriously at the graduation present your teachers and parents gave you.

It's not the watch or the locket or the bracelet we mean. It's the oldest heirloom of all.

An heirloom beautifully decorated in greens and blues and puffs of cloudy white. Containing every rich treasure and pleasure. And yours to hold.

As you grew in mind to this special graduation day, grow now, and in the years to come, in wisdom. For some day, you will give this old heirloom to others.

The oldest heirloom of all. Earth.

This message from Sylvania . . . a company that cares about this time, this town, this world, and you.

CONGRATULATIONS FROM YOUR 106 YEAR-OLD
NEIGHBOR

Yes, we've been a nationally known knitwear manufacturer for over a century, but we think young—young enough to truly appreciate the thoughts and talents of the “now” generation. Everyone at Carter's including these recent Needham High School graduates offers you his best wishes for success and happiness in the years ahead.

If you're starting your career now, perhaps you'd like to be a part of the Carter's team. Call Eliot Olsen at 444-7500. He'll be glad to show you around and tell you about our on-the-job training, good pay and benefits which include tuition aid. And think of all the time and money you could save by not commuting!

*To the 1971 Graduating Class
our heartiest congratulations*

When you start working and receive your first salary, we invite you to come in and open a Savings Account. Then, make it a habit to save something each pay day. Building a healthy bank balance will give you a wonderful feeling and prove that you have what it takes to get ahead financially. We'll welcome you as a depositor.
